SOUNDBAR SERIES

From the world's best-selling speaker brand*, experience the thrill of precision sound. Be blown away as Dolby Atmos takes you to the next level. JBL's all-new soundbar collection brings you the sheer simplicity of setting up your home theatre with JUST one cable - reducing clutter has never been easier.

Be it an epic space battle, a nail-biting detective drama with unimaginable plot twists, the thunderous roar of a stadium when your team wins, or the butterflies you feel while watching a rom-com - all of this would be incomplete without the spectacular sound that a JBL offers.
